

STEAMed Drones Educational Bundles

MISSION:

STEAMed Drones is an exciting program that uses flying drones with cameras to teach Science, Technology, Engineering, Arts, and Mathematics.

HOW IT WORKS:

Schools receive flying drones, ready-to-teach lesson plans, and support to begin teaching drone skills and technology concepts to students. STEAMed Drones is a fully automated turnkey pipeline.

LAUNCH:

September to November Pipeline with Competition!

D.I.Y. BUNDLE \$5,500

STEAMed Drones D.I.Y. Ready-to-teach Bundle Includes:
